UTILITIES MATTER	☐	ORDER NO.	

SUBJECT:

DOCKET NO. 2019-291-S - Joint Application for Approval of the Sale of Assets and Transfer of Facilities and Service Territory from Moore Sewer, Incorporated to Spartanburg Sanitary Sewer District - Staff Presents for Commission Consideration the Request for Approval of the Joint Application Regarding the Sale of Assets and Transfer of Facilities and Service Territory from Moore Sewer, Incorporated to Spartanburg Sanitary Sewer District.

COMMISSION ACTION:

Notice of the Application was mailed to Moore Sewer's customers on September 16, 2019, and no one has moved to intervene in the docket. The Office of Regulatory Staff does not object to the proposed sale of assets and transfer of facilities and service territory. The ORS points out that the near-term rate impact for customers will be minimal and all customers should benefit from an improved system with reduced inflow and infiltration. I move that we waive hearing and approve the sale and asset transfer.
